

**MONOCHROMATIC MUM AND DAD JOKES  
(AFTER RICHARD PRINCE)**

*Werkschau, Haus Konstruktiv, 2022*

One night there was a power cut and Mum went next door to ask if everything was ok. "Are you alright? I was worried about you because there's been a power cut." Our neighbour replied, "Well you see I thought there had been a power cut but then a bus went past with it's lights on."

One night there was a power cut and Mum went next door to ask if everything was ok. "Are you alright?" I was worried about you because there's been a power cut." Our neighbour replied, "Well you see I thought there had been a power cut but then a bus went past with it's lights on."

"Time flies like an arrow. Fruit flies like a lemon."

"I took a travelling girlfriend between Chesham and Birmingham during peak time with a 24 minute delay. A Fiat Tempra is heading the opposite direction carrying a family of five. What did the Volvo driver have for lunch?"

That moment you're on holiday and a police car goes by and Dad gets you in a headlock and says "I've got here I've got here!"

When you're on holiday and a police car goes by and Dad gets you in a headlock and says "I've got here I've got here!"

That moment you're on holiday and a police car goes by and Dad gets you in a headlock and shouts "I've got him! I've got him!"

"Time flies like an arrow. Fruit flies like a lemon."

"A train is travelling at 65mph between Shrewsbury and Birmingham during peak time with a 24 minute delay. A Ford Fiesta is reaching top speeds of 106mph whilst travelling in the opposite direction carrying a family of five. What did the train driver have for lunch?"
